HERE'S A PREVIEW OF SOME OF THE GAMES YOU MIGHT PLAY...

## the feud

### SURVEY SAYS...

...it's time to strive to find the most popular answers in our fast-paced rounds of **The Feud**.

Both teams face off to guess the results of survey questions. A team that guesses all of the answers correctly wins the round, but if they guess incorrectly too many times, the other team will have a chance to steal their points.

**The team that wins the majority of rounds wins The Feud!**

## cross examination

### IT'S TIME TO SYNC UP!

Prove how well you know your teammates in **Cross Examination**. Pairs of teammates will sit back-to-back and answer questions with the goal of matching their partner's answer. You could be asked anything, such as "What is your teammate's favorite color?" or "Which one of you would last longer on a deserted island?"

**The team that makes the most matches wins Cross Examination!**

## get amped

### IT'S TIME TO CHOOSE

...from a series of mysterious disco balls in **Get Amped**. These balls contain prizes of varying quality, so you're going to need a good poker face if you decide to tell everyone else what's inside. Like a white elephant exchange, prizes can trade hands, be stolen & more.

**So choose wisely and may the odds be ever in your favor!**

## THE BIG pyramid

### READY, GO!

During each round, two teammates from each side will work together to earn a Game Point for their team. **The Big Pyramid** will display six categories. One contestant will choose a topic, and then their partner will offer clues to help them guess the secret word or phrase.

**The pair that guesses correctly the most wins The Big Pyramid!**

## pop! goes the Lyric

### CAN YOU NAME THAT TUNE?

Can you also finish the lyrics of that song? **Pop! Goes the Lyric** starts with one player from each team trying to buzz in & successfully name the song that's playing. If they're correct, they'll decide whether or not their team wants to try finishing a lyric from the same song. But if the lyric you give as your final answer is wrong, the point for that round goes to the other team.

**The team that wins the majority of rounds wins Pop! Goes the Lyric!**

## 20 second challenge

### EVERY SECOND COUNTS

...as you complete various challenges in 20 seconds or less. **The 20 Second Challenge** mini game will be played several times throughout your experience in order to rack up Bonus Game Points. Contestants spin a wheel to reveal a task which must be completed in under 20 seconds. Your time will start at the word of your Game Host.

**Each 20 Second Challenge brings you one step closer to victory!**
